## SEAWEED

A game changer in its own right, seaweed for skin care and beauty is one of the ultimate ingredients for hydrating skin. This ingredient creates a flawless and hydrated look. Try the **Repêchage Perfect Skin Liquid Foundation** from Repêchage. [repechage.com](http://repechage.com)

## PEPTIDES

Peptides strengthen the skin's natural cushion, reduce the appearance of fine lines, wrinkles, under-eye puffiness, and improves the appearance of skin firmness. Brighten under eyes and de-puff skin with the help of this stellar ingredient. Try **Rapid Eye Firming Wrinkle Smoother** by ROCASUBA, Inc. [rapidlash.com](http://rapidlash.com)

## JOJOBA OIL

Jojoba oil is a great option for beauty professionals when priming the skin before applying makeup. With its many benefits, jojoba oil reduces redness, hydrates, and calms the skin. Try **Facial Nectar** by Sorella Apothecary. [sorellaapothecary.com](http://sorellaapothecary.com)
