

Aesthetically *Pleasing* Acne Products

1 Formulated to starve acne bacteria, the Dermaesthetics **Clear Complex Cream** contains natural extracts such as plantago lanceolata leaf extract which acts as an anti-inflammatory and stimulates healthy collagen production. Squalane aids in healing and moisturizing the skin without feeling greasy or heavy. www.dermaestheticsusa.com or RR# 324

3 Murad **Overnight Soothing Gel** for red, irritated skin soothes on contact and works overnight to help reduce skin tenderness and irritation while improving the appearance of redness caused by acne. It also works to calm aggravated, sunburned or sensitive skin. 800-336-8723, www.murad.com or RR# 217

2 Vivant Skin Care's **Mandelic Acid 3-in-1 Exfoliating Cleanser** is great for daily use on acne-prone and oily skin. Using exfoliating beads to restore healthy skin on the face and body, this product is a powerful alternative to benzoyl peroxide to combat adult acne in women. 855-484-8268 or www.vivantskincare.com

4 Image Skin Care **Clear Cell Medicated Acne Lotion** is a daily, oil-free lotion formulated with benzoyl peroxide and salicylic acid to reduce acne lesions and diminish oil production. Essential botanicals of green tea, grape seed, and vitamin E nourish and infuse dehydrated skin. 800-796-7546 or www.imageskincare.com

- 5 ilike Organic Skin Care's **Mineral Exfoliating Wash** is a deep penetrating cleanser with anti-inflammatory ingredients and lavender oil. This cleanser calms redness and itching while softening and soothing skin. It gently removes dead skin cells which enables the skin to self-purify and permits a more effective absorption of other skin care products. 888-290-6238, www.szepelet.com or RR# 121
- 7 epiHiderm **Anti-Acne Solution Synergyzer** is a multi-phase system consisting of a spot treatment and synergyzer that incorporate mandelic acid and salicylic acid. It effectively destroys bacteria associated with inflammatory acne, and is effective on a wide range of skin afflictions. 631-780-4711 or www.epiderm.com
- 9 SkinBorn® **Resurfacing Treatment** is a new formulation with blends of glycolic, lactic and malic acids to improve the skin's texture. It may help reduce the appearance of pigmentation and improve hydration, resulting in a smoother firmer skin. 800-627-8399 or www.aestheticsmedical.com
- 11 Pharmaskincare **Acnecare Exfoliator** removes excess sebum and cellular debris to restore and maintain clear, healthy-looking skin as well as addressing the systematic causes of breakouts by combining natural anti-irritant and anti-inflammatory ingredients. 800-266-9506 or www.pharmaskincare.com
- 6 Apothederm™ **Acne Clarifying Treatment** contains oligopeptide-10 and salicylic acid that work together to target existing blemishes and help prevent future breakouts while glycerin provides hydration to skin without stripping moisture, leaving skin soft to the touch. 877-496-0038 or www.apothederm.com
- 8 Clear Skin Bar, by Advanced Rejuvenating Concepts, uses natural sulfur, eucalyptus and salicylic acid to help fight acne infection and decongest the pores. It promotes clear results and helps prevent scarring of the face, chest and back. 800-689-0499, www.arcskincare.com or RR# 299
- 10 MediTouch® **Grade 1 Acne Solution** is for occasional breakouts caused by stress and hormones. This kit comes with an exfoliating wash, acne control lotion with potent sulfur and zinc oxide to control your blemishes. 866-757-7546 or www.sksmeditouch.com

12 Kaplan MD's **Clinical Skin Therapy** radically changes the texture of skin. Medical-grade benzoyl peroxide refines skin texture, tightens pores, brightens skin tone, reduces inflammation and skin redness, and treats minor acne blemishes without drying, stinging or burning the skin. 888-888-4757

14 Tecniche's **Gentle Pore Cleansing Gel** is simple, but mightily successful by pairing two powerhouse ingredients, a highly active botanical fraction that works similar to a BPO and 2 percent salicylic acid, to help gently rid sensitive skin of acneic breakouts, supporting brilliantly clear and beautiful skin. 303-639-1101, www.tecniche.com or RR# 176

13 Wilma Schumann **Blemarex™** is designed to reduce the appearance of blemishes and pimples on acne-prone skin. It contains oxo-chloro complex™, a special proprietary formula rich in oxygen and chloro IV, known for their antimicrobial benefits. 800-440-3032, www.wilmaschumann.com or RR# 240

15 Detoxify and clear skin with the Institut' Dermed **Clarifying Mask** formulated with BioFense Probiotic and Lichoalcone to absorb oil and decongest pores for a healthy, clean complexion. 866-433-7633, www.idermed.com or RR# 162

16 SAIAN **Acne Spot Treatment** is an all-natural spot treatment that treats breakouts overnight. It kills germs and bacteria, disinfects and dries blemishes to treat even the most severe and cystic acne without leaving red spots and discoloration. 800-291-1130, www.saian.net or RR# 250

17 Skin Authority **Acne & Oil Control** is a multi-action formula that unclogs pores and delivers acne fighters deep down to fight infection, calm inflammation and control oil. 866-325-7546 or www.skinauthority.com

19 Provence Cosmetics **Extrem' Peel** is a real treatment best adapted for normal to oily skin to clear dead cells without abrasive action and to provide an instant smoothing result on skin surface making less noticeable. 877-700-7775, www.provencecosmeticsprofessional.com or RR# 315

21 Environ **Sebuspot** is a mild spot treatment formulated to assist in soothing the look of inflamed areas and visibly reducing individual bumps. Tea tree oil, niacinamide, royal bee jelly and panthenol help skin appear calm, refined and less red. 508-539-7077 or www.rocasuba.com

18 Aveda Outer Peace™ **Acne Relief Pads** are gentle exfoliating pads that deliver medicine to instantly unclog pores and help eliminate the formation of blackheads to keep skin clear and prevent future breakouts. 800-328-0849 or www.aveda.com

20 The Dadashie **Acne Mask** is designed to treat mild to severe cystic acne. Clients will see a difference in as little as one week. 888-300-2263 or www.dadashie.com

22 jane iredale **Zap & Hide Dual Ended Blemish Concealer** offers a fast, unbeatable breakout treatment and concealer in one. "Zap" treats blemishes while "Hide" camouflages. Together, both ends prevent post-breakout redness and discoloration. Antibacterial and anti-inflammatory. 877-869-9420 or www.shop.janeiredale.com
