

Aesthetically Pleasing Exfoliants

1 **PURIFY Clear Scrub** from ATZEN uses polyethylene beads to effectively rid the epidermis and pores of dead cells while sebum and bacteria control acne, oily skin, razor bumps and rashes. Soothing and hydrating extracts refresh and bring a healthy and radiant complexion while preventing future clogging and breakouts. 800-468-4362 or www.atzen.com

3 **Seaweed Bio-Exfoliant** from Enessa® is an all natural facial scrub is that formulated with Dead Sea salts, seaweed powder and certified organic flaxseeds to gently exfoliate your skin, improve circulation and stimulate cell regeneration, leaving your skin revitalized and tingly fresh. 323-655-5950 or www.enessa.com

2 **Salicylic Acid 2%** from SAIAN® is a deep pore cleanser that penetrates to remove dead skin cells, oil, debris and comedones. Salicylic Acid kills germs and bacteria, exfoliates, promotes the shedding of dry, dead skin cells and the emergence of new skin. When used topically, it is an anesthetic, sunscreen and fungicide with a mild peeling effect. 800-291-1130, www.saian.net or RR# 250

4 **Intensive Exfoliating Gel** from G.M. Collin® is a dual action gel that exfoliates and tones the skin in just one step. It combines the Subtilisin enzyme and other ingredients for added nourishing benefits, and it is enriched with oligo-elements to brighten and hydrate the skin, leaving it visibly pure, fresh and radiant. 800-341-1531 or www.gmcollin.com

aesthetically pleasing

5 **Transport** from the Somme Institute™ MDT5™ Vitamin Infusion Professional line is a high concentration exfoliating treatment. AHA-infused with MTD5, a patented technology of vitamins A, B3, B5, C and E, it works to exfoliate dead skin cells on the skin surface to improve resiliency, hydration and encourage cell renewal. 866-667-6663 or www.sommeinstitute.com

6 **Red Currant Rapid Infusion Masque** from Éminence Organic Skin Care of Hungary is a potent age preventative gel mask for normal to combination skin types. The liposomes in this mask penetrate deep into the barrier for fast and effective delivery of our nourishing Youth Shield Antioxidant Complex. 888-747-6342, www.eminenceorganics.com or RR# 165

7 **The Purifying Gommage Exfoliant** from PHYTOMER gently exfoliates and purifies the epidermis. It works to thoroughly eliminate the dead skin layer and surface impurities. The gommage consists of micro algae and kaolin that attach to and lift off dead skin while sage, rosemary, clover and birch work together to provide microcirculation to the skin for an even complexion. www.phytomerusa.com, 800-227-8051 or RR# 122

8 **Polyphenol Exfoliator** from Pink Horizons Botanical Skin Care™ revitalizes fatigued skin by brightening and evening overall skin tone. Made with 98 percent organic ingredients and a high level of polyphenol antioxidants, it provides skin with protection against free radical damage and removes dead skin cells to allow for increased absorption of additional nutrients during facial spa treatments. 800-664-5634, www.pinkhorizons.com or RR# 150

9 **Alpha-Eco Peel** from Bella Schneider Beauty is the latest blend of naturally sourced acids that works to produce glowing skin. This peel effectively blends the skin to smooth away unevenness and also pairs well with aggressive facials, including microdermabrasion. Lighten, brighten and exfoliate all skin types without any irritation. 888-200-3977, www.bellaschneiderbeauty.com or RR# 321

11 **White Willow Peel** from Abrioné® is a professional botanical peel containing salicylic acid from the bark of the willow tree that works to resurface the skin and lemon extract to brighten. Tocophersolan (modified vitamin E) and natural botanical acids deeply moisturize the skin's lower layers, sloughing dead surface cells. 866-398-9357 or www.vbcosmetics.com

10 **Brightening Face Polish** from Amala is a refining dual-action face polish that reveals brighter, more evenly toned skin. An advanced blend of bio-botanical actives including narcissus, raspberry seed, and algae extract to exfoliate pigmented surface cells while strengthening the skin's ability to resist new dark spots. 877-262-5208 or www.amalabeauty.com

12 **Merlot Exfoliating Purée** from d'vine® Skincare contains natural red cherry purée, blended lactic acid, and powerful enzymes. This cherry exfoliant blend is saturated with a special ruby antioxidant mélange – lycopene extracted from tomatoes and wild cherry bark extract. This amazing, gentle wine-infused facial exfoliant is perfect for spa guests looking for a glow this Valentine's Day. 866-503-8463 or www.dvineskincare.com

13 Polishing Facial Scrub from Dermaquest™ Skin Therapy is a cream and jojoba bead-based exfoliating scrub that gently removes dirt, debris and dead skin cells from the skin's surface. This scrub prepares the skin for maximum penetration of advanced treatment products and helps reveal a natural, healthy glow. 800-213-8100, www.dermaquestinc.com or RR# 317

14 Pumpkin Scrub from Prana SpaCeuticals® is a foaming enzymatic mix of lactic acid and pumpkin extracts that actively stimulates cell renewal, unveiling a smoother, softer and healthier-looking complexion. This exfoliating cleanser moisturizes and nourishes the skin revealing a natural, healthy glow. 866-589-2949, www.pranaspaceuticals.com or RR# 323

15 Antioxidant Scrub and Masque from sciote works to reduce hyperpigmentation, age spots, fine lines and wrinkles. Coenzyme Q10 neutralizes free radicals and kaolin clay draws impurities from the skin without removing natural oils while simultaneously exfoliating, cleansing and stimulating circulation. 855-703-7434 or www.sciote.com

16 Renewing Exfoliating Cream from the Vie Collection is an intensive formula that combines two actions to mimic the same benefits as dermatological peeling and microdermabrasion. When first applied to the skin, enzymes stimulate the natural skin renewal process. When massaged into the skin, precious micro-particles polish the skin's surface. 877-843-0800, www.vieusa.com or RR# 122

17 **Biological Skin Peeling** from Sothys Paris is a granule-free exfoliant that eliminates dead cells, softening and smoothing the skin. It contains jasmine extract, kaolin and rice starch powders. It may be used once or twice a week to exfoliate the skin. 800-325-0503, www.sothys-usa.com or RR# 195

18 **Daily ExfoliPowder®** from Amarte Skin Care is a plant seed-based polishing cleanser that removes dry, dull skin to reveal a smooth, radiant complexion. The advanced Korean formula uses a unique combination of botanicals and gentle natural exfoliants, making it suitable for all skin types. 415-800-4453 or www.amarteskincare.com

19 The **Microdermabrasion Pomegranate Scrub** from Reviva Labs® uses gentle magnesium oxide crystals and pomegranate instead of abrasive aluminum oxide to help retexturize skin and reduce the appearance of fine lines, wrinkles or rough skin. To further avoid irritation as it exfoliates and removes impurities, this scrub induces a complex of organic oils. 800-233-7546 or www.revivalabs.com or RR# 115

20 **Soy Doctor® Retexturizing Soy Polisher** from Nature Pure Labs® provides dual level exfoliation with the maximum brightening effect of alpha and beta hydroxyl acids and arginine. It manually polishes the skin with micro-polyethylene beads and transforms skin to a smooth, soft and radiant complexion. 866-640-7546, www.naturepure.com or RR# 291

21 **Skin Perfection Peel** from Lumavera is a mushroom extract that combines peptides with polysaccharides derived from cell wall components from the *Mucor miehei* mushroom. While each component on its own has modest exfoliating activity, combined they act synergistically and provide an irritation-free, intense exfoliating effect with stratum corneum replacement rates that are increased by more than 25 percent. 661-477-3663 or www.lumavera.com

23 **Morning Glory** from AESTHE balances five fruit acids (glycolic, malic, citric, tartaric and lactic) to remove dead skin cells and impurities from the skin's surface, preventing build-up and congestion in pores. It can be used professionally before laser, peels, or dermabrasion treatments to properly prepare the skin or for home care to improve discoloration and hydration. 800-825-6776 or www.aestheskin.com

22 **Lactic 15%, pH 2.3** from glötherapeutics smooths, hydrates and brightens the skin, improving the appearance of fine lines and discolorations of the skin. An antioxidant-rich cocktail of berries including bilberry, blueberry and mulberry provide anti-inflammatory benefits. 800-232-0398 or www.gloprofessional.com

24 **The Sugar&Butter exfoliator** from jane iredale THE SKIN CARE MAKEUP® is a lip plumper duo that exfoliates and restores moisture to dry, chapped lips for a smooth and moist finish. Packaged in a dual-ended tube, this product is easy to apply. Organic brown sugar gently removes dull, dry skin while the combination of cool mint and ginger soothes and revitalizes lips. 800-762-1132 or www.janeiredale.com

25 Gentle Scrub from FLEUR'S offers an eco-friendly mechanical exfoliant made from natural, organic fruit and floral extracts. Cherry and Gascony plum work to gently scrub dead skin cells from the surface of the skin. Blueberry extracts create a wonderful fragrance and boost soothing, decongesting properties. 877-353-8777, www.fleursusa.com or RR# 122

26 White Tea Face Scrub from éShave® is made with crushed apricot shells that gently exfoliate away dead skin cells while encouraging skin cells to renew faster. The rich emollient readily penetrates the skin, and its moisturizing combination of shea and cocoa nut butters and jojoba oil promote suppleness, even skin tone, and hydration. 800-947-4283 or www.eshave.com

27 Sweet Tea Whipped Shea Butter Body Polish from Farmhouse Fresh® offers tea lovers a new, refreshing and nourishing sweet tea shea sugar scrub that tempts the senses with essences of ginger, peach and white tea, while exfoliating rough spots and hydrating skin with vitamin-enriched shea butter. 888-773-9626 or www.farmhousefreshgoods.com
