Exfoliators

1 Made with papaya extract, Bio France Lab's **Papaya Body Scrub** will remove dead cells from the skin, leaving natural moisture. Made with sugar and sea salts, it can be used on any skin type. Our formula combines exfoliating sugar and a special moisturizing blend of pharmaceutical grade oils to leave skin silky smooth. 213-385-5933 or www.biofrancelab.com

2 Exfoliate, luxuriate and above all, rejuvenate with Christina's **Exfoliating Scrub**. This high-tech foaming body polish is bursting with beneficial age-reversers that vanquish dry, aging skin and restores youthful beauty. Beta-hydroxyl acid repairs and renews the skin. Wine extracts, full of antioxidant tannins and polyphenols, feasts on free radicals and firms your client's skin. www.christina-cosmeceuticals.com

3 **Alpha Effect** from DR. GRANDEL is a multistage exfoliation system based on three serums and a mask that allows aestheticians to tailor application to suit their clients' individual needs. The serums use a two percent level of liposome-encapsulated malic acid and a gradually increasing level of an AHA complex while the mask contains a six percent cocktail of liposome-encapsulated AHAs. www.grandel-skincare.com or RR# 178

4 Experience professional, clinical results from home with iS Clinical's **Exfoliating Enzyme Treatment**. This potent blend of physical and botanical exfoliating agents combines powerful papain enzymes with micro-beads which dramatically and instantly smooth, brighten, clarify and soften skin while copper peptides promote long-term benefits by encouraging collagen synthesis. www.innovativeskincare.com or RR# 188

5 Cuccio Naturale's **Vanilla Bean & Sugar Scrub** is made to effectively bring the skin to a state of beautiful perfection. This delightful sugar scrub gently exfoliates the skin while it moisturizes and gives the skin a healthy glow that lasts all day. 800-762-6245 or www.cuccio.com

6 With the **Bronze Buffer**, you can wipe away unwanted self-tan or spray tan color instantly, even after it is developed. Perfect for streaks and color buildup, it uses gentle exfoliation to remove self-tanner on the uppermost layers of skin, leaving you with a flawless golden glow. Use it on trouble spots like elbows and knees, or all over to tone down a too-dark tan, and the points are ideal for small areas like between the fingers and toes. 800-659-7350 or www.bronzebuffer.com

7 Cosmeceuticals International's **Facial Exfoliator** is uniquely formulated with Gel-Crème and antimicrobial jojoba beads that gently exfoliate dead skin cells from the skin and cleans each pore to keep the skin looking and feeling more youthful. Apply with slightly dampened fingertips in circular motions over the face and neck area. It can be used on all skin types. 888-387-8948, www.youthfulimage.org or RR# 224

11 **Blue Bamboo Body Exfoliator** from Circadia by Dr. Pugliese is an exotic body scrub that lathers into creamy luxurious foam containing natural blueberry seeds and bamboo to gently exfoliate and remove impurities. The formulation utilizes sodium laurel sulfate-free surfactants for gentle body cleansing and consumer appeal. 800-630-4710, www.circadia.com or RR# 140

8 **Alpha-Eco Peel** from Bella Schneider Beauty is the latest blend of naturally sourced acids that produces glowing skin. This peel effectively blends the skin to smooth away unevenness and also pairs well with aggressive facials, including microdermabrasion. Lighten, brighten and exfoliate all skin types without any irritation. 888-200-3977, www.bellaschneiderbeauty.com or RR# 321

10 Formulated with high-quality corundum crystals, Dermalect's **Microdermabrasion Facial Reveal** exfoliates to reveal a second skin that will prove to be more clear, vibrant and radiant than the old. A light cream base combines natural protein enzymes plus micro crystals to gently peel away exhausted skin cells to help smooth fine lines and wrinkles. 888-693-3763 or www.dermalect.com

12 Rhonda Allison's **Brightening Scrub** is a unique blend of potent brighteners and jojoba beads that work to gently polish away dead cells and impurities, enhancing the absorption of brightening actives. These actives include kojic acid, L-ascorbic acid and Gama-aminobutyric acid (GABA). 866-313-7546, www.rhondaallison.com or RR# 222

9 Achieve polished perfection without the use of chemicals, acids, crystals, lasers, needles or blades. **Dermafile™** is an affordable effective holistic alternative to microdermabrasion and chemical peels. With the power of stainless steel and diamonds, you have complete control and can polish, exfoliate or resurface the skin with a fine, medium or coarse grit file made just for skin. 813-289-1668, www.dermafile.com or RR# 202

13

13 Eminence Organics' **Pear & Poppy Seed Microderm Polisher** helps to polish the skin to perfection with the natural microdermabrasion action of poppy seeds and fine walnut. Scrumptious pear and apple pulp infuse the skin with bioflavonoids and antioxidants. All signs of roughness and dryness will be smoothed away to leave a smooth and glowing complexion. 888-747-6342, www.eminenceorganics.com or RR# 165

14

14 Murad's **AHA/BHA Exfoliating Cleanser** polishes away dullness and helps to smooth texture while cleansing skin of locked-in impurities. AHA/BHA Exfoliating Cleanser's trio of gentle exfoliating acids smoothes dull, dry, uneven texture, leaving skin smooth and hydrated. 800-336-8723, www.murad.com or RR# 217

15

15 ENESSA® **Seaweed Bio-Exfoliant** is an all-natural facial scrub that is formulated with Dead Sea salts, seaweed powder and certified organic flaxseeds to gently exfoliate skin, improve circulation and stimulate cell regeneration, leaving the skin revitalized and tingly fresh. 888-436-3772 or www.enessa.com

17

17 NuSonic **Skin Cleansing** provides newer, fresher, younger-looking skin. This cleansing device can be used on the face and body and is great for daily use. Exfoliate away dead skin cells, diminish fine lines and wrinkles, and enhance the effectiveness of skin care products with this cleansing tool. 888-637-7958 or www.5thavenuebuzz.com

18

18 Bio-Fruit **Gel Exfoliator** from Janssen Cosmetics is biological peeling for oily, blemished skin. With fruit acid complex consisting of apples, grapes, sugar cane and lemons, it increases the cell renewal rate and improves the skin structure. www.janssen-cosmetics.com or RR# 133

16

16 Matcha **Green Tea Masque** from Malibu C® is an innovative treatment that boasts a freshly activated vitamin crystal complex to deliver the highest efficacy of pure, nature-identical vitamin C (L-ascorbic acid) as well as organic aloe and zinc for power-packed results and anti-aging benefits. 800-622-7332 or www.malibuc.com

19 The France Laure advanced **Der-molyse Bio-Active** exfoliator breaks down dead cells and cutaneous debris and leaves healthy cells intact. This deep exfoliation, developed by the French doctor Robert Maurin, is a patented formulation which now has 60 years of conclusive results. 800-361-1361, www.francelaure.com or RR# 213

19

21 Jurlique **Fruit Enzyme Exfoliator** is a highly effective fruit-based facial treatment that exfoliates skin with Australian extracts of desert lime, quandong and wattle, creating a visibly smoother and more revitalized complexion. This product helps boost cell renewal, leaving skin glowing and instantly revitalized. It invigorates the skin with antioxidants and humectants, making it firmer and healthier. 800-854-1110 or www.jurlique.com

20

20 Herb **Rich Clay** by De La Terre Skincare® is a unique blend of clay infused with organic botanicals. This clay emulsifies debris within pores and gently exfoliates dead skin cells responsible for age-related surface roughness. Each formula delivers a high ratio of phyto-nutrients, leaving the skin feeling fresh, clean and brightened. 828-252-8400, www.delaterreskincare.com or RR# 221

21

22

22 Lexli's **AloeGlyC®** is a patented exfoliant that features a pH of 2.1 to 2.3 – similar to that of a chemical peel – but is gentle enough for daily use. The product's base of pharmaceutical-grade aloe not only counteracts inflammation, but also helps to heal and optimize skin health. With regular use, clients will see an improvement in fine lines and wrinkles, hyperpigmentation, skin texture and tone. 877-893-3417, www.lexli.com or RR# 317

23

23 Hale Cosmeceuticals' **Marula Enzyme Mask** with papain rejuvenates and helps restore your client's skin. This well-balanced mask with Dead Sea silt gently dissolves dead skin cells and leaves skin with good circulation, well-balanced emolliency and hydration. 800-951-7005, www.halecosmeceuticals.com or RR# 260

24

24 **Purifying Mask**, from PCA SKIN®, gently exfoliates, detoxifies and removes impurities, leaving skin smooth, clear and bright. Micro-fine pumice helps to gently exfoliate skin's built-up surface debris, while algae and clay detoxify and clear impurities. A well-balanced blend of botanical oils helps to promote a healthy complexion. All skin types will benefit from this mask, with the exception of hypersensitive skin. 877-722-7546, www.pcaskin.com or RR# 199

25 Prana's **Resurfacing Microtherapy Powder** is a multiplex of highly refined powders that gently resurface acne residual marks and alleviate future breakouts. Your clients will experience clarity, brightening and fresh skin, ensuring the maximum benefits of the most active form of essential ingredients. 866-589-2949 or www.pranaspaceuticals.com

26

29

28 Phyt's **Gommage Contact+** goes beyond exfoliation. Ylang ylang calms inflammation while clove increases cellular renewal. Sunflower seed oil provides omegas plus a boost of ceramides to improve keratinocyte health. Contact+ detoxifies while maintaining the lipid barrier and is suitable for all skin types, including rosacea. 877-749-8787 or www.phyts-usa.com

29 **Microdermamitts®** thoroughly exfoliate and cleanse pores of impurities while gently lifting and removing dead skin cells. Available in Face, Body, ZitMitt and Makeup Remover Mitt which thoroughly removes makeup and cleanses skin while gently exfoliating. 866-450-6488 or www.microdermamitt.com

27

26 Exfoliation is the key to a great wax and spray tan. **Scrub'Me'Luscious Body Cocktail** from Relax & Wax is a water-based scrub that will not interfere with waxing or the spray tan process. It will not leave the skin oily or greasy. It is safe to use on all body parts, including the face and it has a fresh "lemony" scent. 775-830-7546, www.relaxnwax.com or RR# 318

30

27 Revolutionize your cabin/spa treatments with Nancy K Brown's **Pre-Mask Exfoliating Scrub**. To prepare your client's skin, use this scrub to get the maximum results from your professional mask and other treatments. This dual action mask uses glycolic, lactic and salicylic acids along with botanical exfoliating, emulsifying jojoba buffing beads to effectively prepare the skin with thorough exfoliation and deep pore cleansing. 800-665-4407 or www.nancykbrown.com

30 Sothys' new **Micro-Gel Peeling** is a grainy melting scrub with a magic texture: a gel turns into oil, then into milk when emulsified. This exfoliant gently removes dead cells, softens and protects the skin. Formulated with white tea extract and asymmetrical grains, it promotes cell renewal and works for all skin types except sensitive. 305-594-4222, www.sothys-usa.com or RR# 195

28

31 Nature Pure's **Dead Sea Salt Crystal Peel** contains a super potent blend of papaya fruit enzymes, aloe, green tea, citrus bioflavonoids and dissolved Dead Sea salt. This peel brightens dark spots, improves fine lines, wrinkles, dull skin, enlarges pores, acne, scarring and even stretch marks. 212-699-0933 or www.naturepure.com

31

34

34 **15% AHA Organic Cotton Exfoliating Pads** from RN Faces reveal tighter pores, clearer, more even-toned skin, and reduction in fine lines and wrinkles. A unique combination of organic fruit acids and glycolic acid gently exfoliate skin and stimulate cell renewal while organic aloe and tea tree oil protect skin from environmental damage and boost hydration. 877-763-2237, www.rnfaces.com or RR# 113

35 Vie's **Renewing Exfoliating Cream** is a skin care product that compensates for the slowing of skin's natural renewing process, by removing a layer of dead skin cells from the skin's surface. When first applied to the skin, enzymes stimulate the natural skin renewal process. When massaged into the skin, precious micro-particles polish the surfaces of the skin. 877-843-0800 or www.viecollection.com

32 **Exfoliating Radiance Gel** from Phytomer gently exfoliates dry lips to renew the skin. Red algae extract works as a mild acid exfoliant while apricot kernel power provides a mechanical action. Red seaweed extract accentuates the natural color of lips as it activates microcirculation. Deliciously scented, this gentle scrub provides optimal exfoliation of dead cells for smooth, healthy lips. 800-227-8051, www.phytomer.com or RR# 122

32

35

36

33 Natural Collagen's **Facial Exfoliator** gently and effectively removes dead cells from the epidermis, unblocks the pores in the skin and prepares it for further treatments. Massaging the skin with the exfoliator (peeling) stimulates blood circulation and the regeneration process, improving the skin's elasticity and firmness. It also makes the skin more receptive to collagen. 647-202-0617, www.naturecollagen.com or RR# 212

36 Set-N-Me-Free's **Aloe Enzyme Cleanser** will deep clean clogged pores to get rid of unsightly pore bumps. This enzyme active aloe vera cleanser applies smooth and rinses clean with no harsh grit that would tear delicate skin. Available in professional salon and retail sizes. 800-221-9727, www.set-n-me-free.com or RR# 132
