

Aesthetically Pleasing Professional Moisturizers

1 Alpha Therapeutic Hand and Body Lotion from GLYMED® PLUS is a quick, penetrating moisturizer that delivers powerful anti-aging alpha hydroxyl acids to diminish dead skin cell build up and replenish important skin nourishing and hydrating components for smoother, more touchable skin. 800-676-9667, www.glymedplus.com or RR# 174

3 Hydro-Complex® PFS - For Oily/Combination Skin from Repêchage® is an oil-free formula, based on the Physiological Filtrate of Seaweed (PFS) to help nourish, re-mineralize and hydrate skin. This daily moisturizer restores skin that has lost moisture due to age, climate changes or travel. Super humectant and emollient formula developed to restore skin vitality and youthfulness. 800-248-7546 or www.repechage.com

2 Lady Burd's Calming Night-Time Moisturizer comforts and calms for a more radiant appearance. The pomegranate and algae extract provide instant hydration to the skin, helping to maintain its vital moisture. Grape seed and green tea extract help provide relief from redness and irritation, while turmeric root extract helps relieve dry skin and treat skin conditions such as eczema and acne. 800-345-3448 or www.ladyburd.com

4 Bee Venom from Rodial works in synergy with a unique complex of plant stem cells to help visibly improve skin tone and elasticity. Cydopeptide-5 and Juvinity™ refine the skin's surface to help plump and smooth the appearance of fine lines and wrinkles, while hyaluronic acid provides intensive moisturization and long-lasting hydration for a radiant complexion. www.rodial.co.uk

5 Ultra Hydration Cream from Rhonda Allison® Cosmeceuticals uses sodium hyaluronate to create soft, supple, hydrated skin and increase moisture by 300 percent. This humectant-binding cream works to not only retain vital moisture but also provide nutrients and remove waste from the cells that do not have a direct blood supply. The hyaluronic acid used in this formula is the highest grade of pure hyaluronic acid available. 866-313-7546, www.rhondaallison.com or RR# 222

6 Herb & Mineral Moisture Spray from Danné Montague King® is formulated with herbs that possess botanical ingredients that living skin cells recognize as nutrients. This spray imitates the acid mantle and is considered one of nature's true moisturizers. 888-326-6348, www.dannemking.com or RR# 298
